HOMEOWNER AFFIDAVIT

NOTICE: The State of Georgia has mandated that all residential contractors be licensed effective July 1, 2008. However, there is an exemption to this law that allows you, as the property owner to act as your own contractor without a license, provided the construction is intended for your own use or occupancy and you have not sold a building or structure and acted as contractor within the prior 24 months. In acting as your own contractor, you are responsible for the supervision and management of all work that is not performed by a licensed contractor. Furthermore, you are responsible for requesting inspections and being on site during inspections if deemed necessary by the inspector. All work must conform to all applicable laws, ordinances, building codes and zoning regulations. Please familiarize yourself with the appropriate codes and laws to insure that all work will be done properly. In the event that you should feel you are unable to comply with the requirements as stated, it will be necessary for you to hire a licensed contractor to complete the job in compliance with all building codes and ordinances in effect.
